REDWOOD CITY, CALIFORNIA, SATURDAY, JANUARY 12, 1918.

TRUSTEES REFUSE TO GRANT NEW LICENSE

That the city trustees are determined to keep a strict watch of public moral conditions in Redwood City was again made evident at the regular meeting of the council Monday evening, when two applications for licenses under the provisions of regulatory ordinances were denied by unanimous votes. One of these was an application for a new wholesale liquor license and the other for a license to conduct a lodging house.

The applicant for the wholesale liquor license was William A. Maloney, who for some years past has conducted an establishment on the County road a short distance south of the city limits. Under the new county ordinance and the provisions of the Federal laws prohibiting the sale of liquor within the five mile limit of a military camp, Maloney has been forced to close his place and sought to continue the business by removing to a location a short distance within the city limits, applying for a license for a location on 7th Camino Real near Willow street. No objection was presented, either by the authorities of Camp Fremont or civilian neighbors, to the manner in which he had conducted his business, nor was this considered by the trustees in discussing the application. Opposition to granting the license was first raised by Trustee Merrill, who made the point that the expressed policy of the council had been to limit the licensing of places for the sale of liquor to those already in existence. That it was the part of wisdom to continue this policy was the unanimous sentiment of the trustees and evidently with this end in view a motion to deny the application was adopted without objection.

Under the provisions of the recently adopted ordinance regulating the conduct of lodging houses and requiring that proprietors of such places must secure a license, applications for licenses were submitted by the proprietors of practically every place in the city coming under the provisions of the law, among these being the Lahona house on Main street. With the exception of the latter place, the licenses asked for were granted without opposition. In the case of the Lahona, the police reports of the manner in which the proprietor had conducted the place were far from satisfactory to the trustees and a license to continue the place under the present management was unanimously denied.

If the accusations of Major Pope, Provost-Marshal at Camp Fremont, can be substantiated during the coming week, it is probable that there will be one less saloon in the Five Points neighborhood, a section which might well do with at least one less place for the sale of liquor. In a communication to the council Major Pope asked that steps be taken to revoke the saloon license of P. J. Foley, basing his request upon at least a strong suspicion that soldiers had been furnished with liquor in the place. While the evidence presented was not sufficient to warrant action under the provisions of the liquor ordinance, the request of Major Pope was referred to the police committee for investigation, with the understanding that if the suspicions prove to be well founded the drastic action would be taken at the next meeting.

With the exception of these important matters, the remainder of the time of the session was devoted to the consideration of business of a routine nature.

George Bradford presented an application for the transfer of the saloon license of the O. K. Bar to himself. No objection to the transfer being made the application was granted.

A permit to take water from the city reservoir was granted to the owners of the Oak Knoll Manor subdivision, which lies outside of the city limits. This water is to be used to supply residences which it is expected

AVIATION MANAGER RETURNS FROM EAST WITH NEW IDEAS

Frank Bryant, owner and manager of the Redwood City School of Aviation, returned last Monday from an eastern trip that occupied a month of his time. While east, Bryant visited all the eastern schools of aviation of any size and also had an opportunity to see many of the machines used by the allies. He saw the famous Liberty motor and took a ride in one of the government observation balloons. As a result of his trip Bryant will make several changes in the local school which promises to add greatly to its efficiency.

MR. AND MRS. JOHN CHRIST CELEBRATE GOLDEN WEDDING

Fifty years is a long time for two people to live together in peace and harmony. Fifty years ago last Monday Mr. and Mrs. John Christ were married in San Francisco. They came shortly afterwards to Redwood City. It was just a little place then. There were not many people. There were few improvements but it was a pleasant place to make a home. They built their home on what was called the island. They lived there all of their married life until a few years ago when they went to live with their daughter, Mrs. Rathbone in Berkeley. Into that home the angel of life came and brought many happy little people and into it also came the angel of death and took some of them away again. In sickness and in health, for richer or poorer, they were loving comrades.

Mr. Christ served the community as an official for many years. Mrs. Christ was a good wife and mother and a considerate neighbor. Wherever there was sickness or sorrow she was there to help. We are glad to congratulate Mr. and Mrs. Christ upon their golden wedding anniversary. They are well and strong. May the rest of their journey be as happy and peaceful as has been the last decade.

The wedding anniversary was observed at the home of their daughter Mrs. Frank P. Wentworth on Arguello street and many old friends were there besides their family to extend to them their hearty congratulations.

NIGHT SCHOOL AT CAMP SUCCESSFUL

The night school held in the Y. M. C. A. building at Camp Fremont opened under most pleasing auspices last Monday evening. Sixty soldiers enrolled as pupils. The teaching is done by the faculty of Sequoia Union High School. Mathematics, book-keeping shorthand and type writing and English are taught on Monday, Wednesday and Friday evenings. The teachers are B. E. Myers, Miss K. Wolfenden and L. A. Adams. It is to be believed before the end of the month fully 200 soldiers will take advantage of the opportunity to secure an education. The teachers are pleased with their work and the soldiers who give them every encouragement by their promptness to respond to the appeals of the educators.

NEW MINISTER ARRIVES TO TAKE CHARGE OF CHURCH

The Rev. and Mrs. Francis A. Brown arrived in this city yesterday and are at Hotel Sequoia. Mr. Brown has accepted the charge of the Episcopal church here, and begins work at once. For the past three years he has been rector of St. Mary's church, New York City and has come west on account of Mrs. Brown's health. For ten years before going to New York Mr. Brown was rector of Christ church, Savannah, Ga., the largest and oldest church of the diocese.

The services at St. Peter's church on Sunday will be Sunday school at 10 a. m., Morning prayer with sermon by the rector at 11 o'clock. Evening prayer and sermon at 7:30 invited to these services and also all Episcopalians are particularly urged to be present.

MRS. HALEY PASSES AWAY IN METROPOLIS

Mrs. Katherine I. Haley, wife of F. M. Haley, president of the Independent Brewery, and widow of the late Judge F. A. Hornblower, died last Friday in San Francisco. She was 47 years. She was a native of San Francisco. Many years ago she resided in Redwood City with Judge Hornblower, who was at one time police judge of San Francisco. She is survived by two sons, F. A. and William Hornblower, twins, who were born in Redwood City about twenty years ago.

Judge Hornblower moved from the city to this county in order to run for the superior judgeship but after he was here a while he discovered the popularity of Judge Buck was too great to overcome and he decided to be a candidate for the assembly. He was beaten in the republican convention by H. G. Goodhue of San Mateo. Soon after the judge went back to San Francisco.

The judge could tell a good story and was an entertaining speaker. He passed away about eight years ago being nearly 90 years old at the time of his death.

WOULD HEAVY TAX INJURE JITNEY MEN?

RESPONSIBILITY FOR DECISION UP TO COUNTY SUPERVISORS

The proposition of fixing a tax upon the taxi and motor bus jitney service in San Mateo county will come up before the Board of Supervisors on Monday the 21st; at which meeting of the board all jitney and taxi transportation men have been invited to appear and express their views upon the subject in a discussion with the County Fathers.

Quite naturally the jitney men will do their best to have a small tax or license fee adopted, and when one goes deep enough into the situation their contention will prove just and fair.

Transportation by automobile is now being developed, in the last five years great progress has been made in this traffic, within the next five years passenger traffic by automobile will have attained even greater proportion, that is unless restrictions are placed upon its advancement. And one such restriction is a heavy tax being levied upon it.

A casual investigator of the inner workings in the process of obtaining the necessary permits from cities and counties in order to establish a motor bus service would be surprised to find out how much in fees and tax at present time the small jitney man must pay.

Taking the run from Redwood City to Palo Alto, as an example, with which the local public is familiar, the fees which have to be paid are very large. In the first place there is a state statute governing automobile passenger transportation, the Railroad Commission also has jurisdiction to make laws and regulations, the City of Redwood City has an ordinance governing this question, and has a tax of twelve dollars a year for one machine, with a slightly graduated scale for additional machines, the City of Palo Alto has its own ordinance, with a tax of one hundred dollars a year, the County of Santa Clara has an ordinance very strictly construed to the subject, and a tax or license fee of fifty dollars per year.

SEQUOIA HIGH DEFEATS MT. VIEW AT BASKETBALL GAMES

"Strangler" Lewis' famous hold isn't to be a record with the hold which Sequoia Hi has on victory this year. Experience has proven that the strangle hold is a pretty hard hold to break and it seems to be the case with the head lock Sequoia has been using. The last victims of the Sequoia basketball team were Mt. View and they were forced to the mat twice.

The first match between the varsity teams of both schools was an exciting contest from start to finish, made so probably for the most part by the phenomenal shooting of Capt. George Seely of the locals. The score of this game was 64 to 22.

Just to show that a team in new uniforms, as Sequoia's varsity was clad in, aren't the only ones that can win a game, the Sequoia Dwarf's gave the Mt. View 130-lb team enough in one half to win the game.

Get ready for the big drive which Sequoia Hi is going to boost. The facts are as follows. The local High school needs money to run its student body affairs with and so does the Red Cross. So it was decided to start a paper campaign. That is a campaign for the collection of newspapers, magazines, wrapping paper, and waste paper of all kinds. Watch for the full details of the campaign next week.

AIRCRAFT MANUFACTURING PLANT TO START WORK SOON

A large force of men is engaged at the Christofferson plant remodeling the buildings to suit the needs of the United States Aircraft Corporation, which is shortly to begin the work of manufacturing planes. With the plant going full swing, it is expected that a force of two hundred men and women will be employed.

The Chamber of Commerce is busy compiling a list of vacant rooms in Redwood in order to provide accommodations for the new residents. Persons having rooms to rent are requested to telephone to the Chamber of Commerce and list their accommodations.

SPLENDID FINANCIAL STANDING SHOWN BY BANK'S STATEMENT

In the advertising columns of this issue of the Times-Gazette will be found a condensed statement of the condition of the First National bank and its affiliated institution, the San Mateo County Savings Bank. These statements will prove of interest as showing the splendid progress made by these two pioneer financial institutions of this city. Financed entirely by home capital and conducted for the past twenty-eight years under the same management, the showing is one which must inspire confidence in the minds of the community.

MR. AND MRS. WILLIAMS AND FAMILY RETURN FROM EAST

D. W. Williams accompanied by his wife and family returned from the east this week after spending six months with relatives in Maine, Wisconsin and other states. The Williams spent the holidays at Pasadena. Mr. Williams says he is glad to get home to the warm sunshine of California and to escape the snows of the east. Mr. Williams is a native son but passed the greater portion of his life in Wisconsin and the state of Maine.

Mr. Williams was formerly cashier of the Redwood City Commercial Bank, but resigned when that institution was consolidated with the Bank of Italy. He will not engage in any business for some time preferring to take a long rest before again launching into the activities of a business life.

REDWOOD BUTCHERS FORM LOCAL UNION

Falling readily in line with the United States Food Administration suggestion that merchants everywhere cooperate in the plans to reduce the cost of delivering goods, the butchers of Redwood City have joined forces with the grocers and beginning February 1st, all meat deliveries throughout Redwood, Atherton, and Menlo Park, made by the merchants of Redwood will be done through the merchant's delivery, which was established by the grocers here a year ago. At a meeting of the Merchants Delivery held last night, Casareto & Merrill, H. L. Williams and Thomas Tuttle became stockholders of the Merchants Delivery and contracted to make all future deliveries through that system, which is rapidly being adopted in nearly every city in the United States.

The sale of meat from wagons which has long been denounced as unsanitary, will be eliminated, as will also be the custom of soliciting orders. The grocers of Redwood City during their year's trial of the system have proved its efficiency, their experience showing that cooperative delivery, not only benefits the merchant, but is a big help to the housewife in that it systematizes the ordering of goods.

Andrew Stewart at Camp Tenafly. Andrew Stewart, who left here with the last San Mateo contingent of drafted men, has written to his mother in this city. He is at Camp Tenafly, New Jersey. By a strange coincidence he was, on arriving at the camp, assigned to the company of which Sergeant Edwin Pitcher of Redwood City is the chief cook. Both were chums here and are fast friends at the camp.

LEUTENANT CRABTREE IS PROMOTED TO HIGHER PLACE

Lieutenant David M. Crabtree of the 159th Artillery, the Grizzlies, has been promoted from a second to a first lieutenancy this week. Lieutenant Crabtree, who was formerly rector of St. Peter's Episcopal church of this city, is with his regiment at Camp Kearny and expects orders at any time to go to France.

EARLY MORNING BUS TO CAMP NECESSARY

A number of officers from Camp Fremont have made their homes in Redwood City during the past week. They are now confronted by the fact that there are no means of transportation between Redwood City and the Camp which will get them there by 8 o'clock. The busses run late at night as the big returns are made then.

Redwood City people recently subscribed for stock in the Redwood City Transit Company, not as an investment, but because they felt that such a company would be a benefit to the town.

The Transit Company now has a chance to demonstrate that it is of some benefit. We want the officers to live here. They will not, unless they are given transportation facilities, which will be adequate to their needs.

A 7:20 morning bus is what they want. The people of Redwood City should see that they get it.

FREMONT LIBERTY CLUB TO HOLD WEEKLY DANCES HERE

The Fremont Liberty Club, an organization which has recently given a number of exceedingly enjoyable dances, has announced that it will, commencing with this evening, hold a series of weekly Saturday evening dances. These dances will be held at the Foresters hall, which is provided with one of the finest dancing floors on the peninsula, and some exceptionally fine dance music has been secured. As usual with Saturday night affairs, dancing will be continued all night. Every care will be taken to make these dances select social affairs, and while given with a special view to the entertainment of the soldier boys stationed at Camp Fremont, the public will be welcomed.

RED CROSS STARTS SALVAGE CAMPAIGN

Following the example already set by several chapters of the Pacific Coast Division of the National Red Cross, the Redwood City Chapter has established a Salvage section by which it hopes to materially increase the income of the chapter.

The possibilities of the salvage work are unlimited. Los Angeles was one of the first cities on the coast to discover this method of raising funds and cleared \$1000 in one month on salvage alone.

A market has been found for many articles formerly thrown away. Newspapers, magazines, tinfoil, brass, bronze, iron and lead, tooth paste tubes, toilet cream tubes and jars, rubber in an form except garden hose are all valuable. Material of this nature will be collected by the local chapter, segregated and sold.

The annual report of the American Red Cross recently issued contains this statement: It is clear that if the generous impulse behind the Red Cross movement in the United States is to find expression, work for suffering humanity upon a scale beyond precedent or anticipation will have to be undertaken. This will require funds much in excess of those already pledged.

Every loyal American is glad to give in order that he or she may have some part in the great work being carried on by the Red Cross. This is easy giving. It just requires a little of your time to save otherwise discarded things and this form of saving may do untold good. Will you help? If so, phone Redwood 201-J between 5 and 7 p. m. or send your name and address to Mrs. F. H. Thorpe at the grammar school. The local chapter will arrange to collect the last of each month or earlier when desired.

NEW OFFICERS FOR LOCAL LODGES

The spacious hall in the Odd Fellows building was filled to its capacity Wednesday evening by members of the Order and their invited guests to witness the joint installation of the officers of Bay View Lodge No. 109 and Olive Branch Rebekah Lodge No. 48. Proceeding the installation ceremonies, a short business session of Bay View Lodge was held, following which the doors of the lodge room were thrown open to the waiting guests and within a few moments every available seat was occupied and many were forced to stand during the interesting services.

First came the installation of the officers of Olive Branch Rebekah Lodge, which were most creditably conducted by District Deputy Grand President Anna Weirgerson and staff of San Mateo. Immediately following this ceremony, the officers of Bay View Lodge were installed by District Deputy Grand Master L. P. Hopkins of Live Oak Lodge of Palo Alto. Following the seating of the new officers of Olive Branch Lodge, the retiring Noble Grand, Stella Alexander was presented with a handsome Past Noble Grand's Jewel, in recognition of her services to the Lodge, Mrs. Annie R. Mantz making the presentation address.

Following are the new officers of the two Lodges:

Olive Branch Rebekah Lodge:—Edna Christensen, Noble Grand; Pearl George, Vice Grand; Mamie Glennan, Secretary Margaret Hilton, Treasurer; Annie Peterson, Warden; Ellen Thompson, Conductor; Nellie Poole, Chaplain; Lillian Poole, R. S. N. G.; Sally Nelson, L. S. N. G.; Hilma Fowler, R. S. V. G.; Pauline Hexner, L. S. V. G.; George Ward, Inside Guard; Henry Steinberger, Outside Guard.

Bay View Lodge—William Williamson, Noble Grand; L. B. Stacy, Vice Grand; J. J. Rogers, Recording Secretary; Edwin B. Fox, Financial Secretary; L. P. Behrens, Treasurer; B. D. Budworth, Warden; J. C. Jones, Conductor; C. A. Peterson, Outside Guard; A. W. Grimsenstein, Inside Guard; H. Steinberger, R. S. N. G.; F. W. Glennan, L. S. N. G.; G. W. McNulty, R. S. V. G.; C. K. Mable, L. S. N. G.; R. Weidenbaum, R. S. S.; W. H. Barg, L. S. S.; W. A. Crowell, Chaplain.

Following the installation ceremonies a short musical and literary program was given, the principal numbers of which were rendered by visiting soldier members of the Order from Camp Fremont. This was followed by the service of light refreshments in the dining room.

Unless Redwood City is to let another golden opportunity slip through its fingers, its citizens must awake from their lethargy. While thousands of men are at our doors and ready to come in, we must present something for their attraction and let them know that they are welcome.

Undoubtedly the soldiers of Camp Fremont will gladly visit this city, many of them in preference to other places, during their hours of recreation, but if they are to come attractions at least as great as is offered them elsewhere must be held out. And something along this line must be done quickly, for these men, like the rest of humanity, are creatures of habit and are apt to follow the bent of first inclinations.

True, the securing of accommodations and attractions such as should be ultimately be provided will take time. But there are some things which can and should be done without delay. For one thing, and that an important one, our streets should be made more attractive. This can readily be done with an increased illumination of the business section. For some time past members of the city council and Chamber of Commerce have been discussing plans for this work. Now is the time for discussion to end and action to commence.

But even while waiting for this, the merchants themselves, who are the ones most vitally interested, can do much to relieve the situation. Experience has proven that well lighted store windows add much to the attraction of the streets of a city, and this much can be accomplished without time for preparation. Windows of the stores should be kept well lighted until a late hour in the evening. True, this would involve a slight additional outlay, but for every additional dime expended dollars would soon be returned.

REGISTRATION OF GERMAN-ALIEN ENEMIES

All alien enemies are required to register at such times and places and in such manner as may be fixed by the Attorney-General of the U. S. All natives, citizens, denizens or subjects of the German empire or the Imperial German government being males of the age of 14 years and upwards who are within the United States and not actually naturalized as American citizens are required to register as alien enemies.

An alien enemy required to register who fails to complete this registration within the time fixed therefor or attempts to violate any regulation duly promulgated by the President of the United States in addition to all other penalties prescribed by law, is liable to restraint, imprisonment and detention for the duration of the war.

An alien enemy required to register who shall after the date fixed for the issuance to him of a registration card be found within the limits of the United States without having his registration card on his person is liable to the aforesaid penalties. Males born in Alsace-Lorraine subsequent to May 10, 1871 and males quent to August 23, 1866, within the United States are alien enemies unless naturalized as American citizens. Registration shall be made by affidavit of the alien enemy required to register, to be executed in triplicate and accompanied by four (4) unmounted photographs of the registrant not larger than 3 by 3 inches in size on thin paper with a light back-ground.

Each alien enemy required to be registered shall be required to register his finger prints. Registrants are not to be treated as persons of evil disposition and registration officers are urged to deal with them in a courteous and friendly manner.

In cities the chief of police are the registrars; in suburban areas the assistant registrars shall be the postmasters in each community.

TANFORAN PARK BOUGHT FOR IN FORECLOSURE SUIT

A suit to foreclose a \$100,000 deed of trust on Tanforan Park, for many years the leading race track in California, was filed in the Superior court Monday by Charles H. Trollet and Edgar Shinsheimer, as trustees, against the New California Jockey Club, owner of the park. The deed of trust executed April 22, 1912, was given to secure a promissory note for \$100,000 given to the Anglo and London Paris National Bank of the Jockey club and its president, the late Thomas H. Williams. Beatrice Steele, Williams, as executrix of Williams' estate, is named as one of the defendants in the suit.

Tanforan Park was founded many years ago by Prince Andre Poniatowski, a brother-in-law of William H. Crocker, and Thomas H. Williams, then one of the racing kings of California.

Divorce Action Commenced

Michael Peters has commenced an action for divorce in the superior court against his wife, Rebecca Peters on statutory grounds.

Lucy N. Munford has also begun divorce proceedings in the superior court against her husband, Edward S. Munford on statutory grounds.

Articles of Incorporation Filed

The following articles of incorporation were filed in the county clerk's office during the week:

The South San Francisco Hospital has incorporated with a capital stock of \$50,000 divided into 500 shares at a par value of \$100 each. The purpose of the incorporation is to establish a hospital at South San Francisco where the principal place of business of the concern is to be located. The actual amount of stock subscribed is \$700 by the following stockholders: F. S. Smith, San Bruno, one share; F. S. Dolley, South San Francisco, one share; Charles L. Moorman, South San Francisco, one share; S. Lombardi, San Bruno, one share; N. A. Becker, South San Francisco, one share; F. A. Cunningham, South San Francisco, one share; L. G. Walker, South San Francisco, one share.

The South San Francisco Industrial Club has incorporated with a capital stock of \$25,000 divided into 250 shares at a par value of \$100 each. The object of the incorporation is to establish a clubhouse at South San Francisco for the amusement and social intercourse of its members. The actual amount of stock subscribed is \$500 by the following directors who have subscribed one share each: Charles L. Moorman, H. L. Walker, F. S. Dooley, N. A. Becker and E. C. Peck.

Appraisers Appointed

Judge Buck on Thursday appointed H. C. Tuchsens inheritance tax appraiser of the estate of John Huber, deceased.

NOTICE OF COMMISSIONER'S SALE OF REAL PROPERTY ON FORECLOSURE

In the Superior Court of the State of California, in and for the County of San Mateo.

THE OAKLAND BANK OF SAVINGS, a corporation, as executor of the last will and testament of Carrie L. Gregory, deceased, Plaintiff,

vs.

G. W. SPENCER (also known as G. E. Spencer), L. S. STOLL and BEVERLY STOLL (his wife), LOUIS KISTLER, S. T. KISTLER, A. G. STOLL and MARY GILL STOLL (his wife), E. B. "The Battle of the Marne"

A lecture on the world's greatest battle will be given at the Baptist church on Monday evening, January 14th at 8 o'clock by Mr. Sidney Coryn of San Francisco, illustrated by stereoscopic slides. Mr. Coryn is a magazine writer of note and is recognized as one of the best informed men in this country on the war. His lectures have been given extensively in San Francisco. It will be a rare treat to the people of Redwood City to hear this famous lecture and to look upon the scenes of the greatest battle in all history. The lecture will be free with a silver offering at the door.

In order not to conflict with the debate at the high school on Friday night of this week, this lecture was postponed from Friday to Monday night of next week.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Redwood City as Seen Through Incidents Gathered Here and There

Miss Katherine Wolfenden, vice principal of Sequoia Union High School, spent her vacation visiting friends in Dinuba, Tulare county.

Mrs. F. Wood, for several years the chief bookkeeper at the Crystal Laundry on Main street, has resigned her position to take a similar one at San Mateo where she resides. The vacancy has been filled by the appointment of Miss Martha McKay of Redwood City and a recent graduate of Notre Dame convent of this city.

Mr. and Mrs. Donald Mackenzie went to San Francisco Sunday to see their first grand-son, Howard Mackenzie Warner, who arrived from Babylon on Wednesday, January 2nd. They were much pleased with the young gentleman and also with the condition of the little fellow's mother.

Percy Long, who has been connected with the Pacific Gas and Electric Company here for several years past, has received a promotion. He will have a more responsible post but his new work will be in the office at San Rafael. He will leave next Tuesday to assume his new duties.

The social hour which follows the evening service at the Congregational church has become quite a popular part of the church work. It is an interesting sight to see the soldiers, the civilians and the young ladies sitting on the floor in a circle, singing songs, telling stories and partaking of the refreshments.

Sergeant Stanley came down from San Francisco and returned to the U. S. Marshall's office with Mr. Bar-lucio, Frank Scott, Patrick Murphy, M. Siefert and John Byle, all accused of bootlegging. The two former committed the offense at Redwood City and the three latter sold liquor to soldiers at San Mateo.

Mrs. Henry Steinberger arrived home from Boulder, Colo., yesterday after spending seven weeks with her daughter, Mrs. John H. Cook. Mrs. Steinberger visited Denver and other cities of Colorado and while she experienced much cold weather and saw an abundance of snow she enjoyed her trip and was impressed with that state.

All the butcher shops of Redwood City have been unionized. Hereafter the shops will open at seven o'clock and close at six except Saturdays when they will close at seven. Hereafter the markets opened at five in the morning and closed at 6:30 in the evening. Under regulations of the butcher's union ten hours constitutes a day's labor.

Oscar Sahlgren for the past nine years a clerk in the local postoffice has resigned his position to accept employment at the Schwabacher shipbuilding plant at South San Francisco. He will reside in San Francisco. Mrs. M. J. Griffin, who has been an assistant in the office for some time, has been promoted to the position. Mr. Sahlgren's salary was \$91. He leaves this to accept a place paying \$4.50 a day.

Frank Harris Barton and Miss Gertrude Ottelin will be united in marriage at the home of Mrs. Charles Barton in this city this evening. It will be a quiet affair only relatives attending the wedding. The young couple will reside in Redwood City.

Dr. and Mrs. Roy Woodhams, who left here some time ago bound for the Congo country, West Africa, are in New York. They expected to leave Gotham on December 21st but could not get an outgoing vessel. They will not sail until the middle of February. The doctor is taking a course of lectures in a prominent medical school and is also doing hospital work. The doctor is to be a medical missionary in the dark continent.

George Bell of San Gregorio, who is employed at Camp Fremont, was notified by a telegram from Camp Kearny yesterday that his son, Clifford, is improving and is out of danger. Last week he was confined to the base hospital with a severe illness and it was thought he would not recover. Mr. Bell has six sons in the army located at different camps. He is proud of the fact that he has been able to give six sons to the service of his country.

Virgil Butts, tax collector of Sonoma county, was here last Saturday calling on his many friends in this city. Mr. Butts graduated from the high school some years ago. He spent his boyhood in Redwood City. For eleven years he was the chief deputy in the tax collector's office at Santa Rosa. When the head of the office died two months ago Mr. Butts was appointed by the board of supervisors of Sonoma county to fill the vacancy.

A big corps of cement workers were installed on the new concrete ship on the water front of Redwood City Wednesday. There will be three crews who will work eight hours each on the vessel in order to have it ready for launching next March. If the ship which is partly an experiment, is a success, no less than six shipyards will be located on the water front. The superintendent of the vessel is certain that it will be a complete success far beyond the wildest dream of the inventor.

Miss Cora E. Clute, who is well-known in Redwood City and who for some time has been the chief nurse at the Red Cross hospital at San Mateo, has been appointed parish nurse to succeed Mrs. James E. Dillon, formerly Miss Hannah Scott. Miss Clute has been connected with the Red Cross hospital for some years and is well qualified to take up the work expected of the parish nurse. Miss Clute's brother was the station agent at Menlo Park for a number of years. He is now the telegrapher for the San Francisco fire department.

The largest and best gathering of the winter season destined to unexcelled strains of a top notch orchestra last Wednesday evening in Foresters hall. The young ladies of Redwood City have at last "hit their gait" and many were the compliments passed in by the soldiers and the refined and orderly way in which the dance was conducted. The members of the Wednesday Eve Social club wish to draw the soldier boys this way and wish to thank the parents of this town for the trust they have placed in them in allowing them to care for the social welfare of the young ladies.

TRUSTEES REFUSE TO GRANT NEW LIQUOR LICENSE

(Continued from first page)

will be erected on the subdivision during the coming summer.

At the request of Secretary Ed. T. McGittigan of the Chamber of Commerce, City Engineer Dimmitt was instructed to select a route and endeavor to secure rights of way for a sewer to connect with the Aircraft manufacturing plant in this city. At the same time the matter of securing funds for the construction of the sewer was referred to Trustee Tuchen of the street committee. In making the request, Secretary McGittigan informed the council that the work or remodeling the plant and the installation of new machinery has been commenced and that within a short time it was expected that at least 20 people would be employed in the establishment.

City Electrician Collins was instructed to install a street light at the corner of Jupiter and Oak avenues.

A number of applications for permits to conduct jitney passenger bus lines out of this city to Camp Fremont were presented and under the provisions of the law were set for public hearing at the date of the next regular meeting, January 21st. That the jitney driver sees money in the business at the present rates was evidenced by the fact that in all the applications the rate of fare was fixed at 10 cents.

At the suggestion of Trustee Tuchen, chairman of the street committee final consideration of the improvement of Vera avenue, which has been a bone of contention for the past year, was deferred until the next meeting, when it is hoped the matter will be finally disposed of.

On motion of Trustee Merrill, Superintendent of Streets Dearborn and Superintendent of the Water System Dickey were each granted an increase of \$15 per month in their salaries, the raise to become effective with the present month.

The ordinances prohibiting gambling and placing further restrictions on the sale of liquor, introduced at the last meeting, were finally adopted and are now in effect. The anti-gambling ordinance prohibits the playing of any game of chance for money, while the new liquor regulation forbids the sale of liquor in quantities by saloons at any time and limits the serving of liquors in restaurants to the main dining rooms. Wholesalers are also prohibited from the sale of liquor except for delivery at the homes of actual residents or to those engaged in the retail business.

The usual monthly reports of city officials and employees were presented and filed. According to the report of City Marshal Coleman the collections of his office for the past month amounted to a total of \$18,730.73. City Treasurer Towne reported that the balances in the operating funds of the city were as follows: General fund, \$11,153.24; Water fund, \$3,089.05; Library fund, \$819.41.

Diogenes, Your Search is Over

In this day and generation many are prone to believe that honesty is a negligible force, that it exists only in imagination and that dishonesty is more apt to prevail in a community. The righteous live in every locality. Honesty is more prevalent than is believed and this statement is borne out by an occurrence which took place in Redwood City during the week.

Last Friday afternoon D. J. Lynch, a deputy assessor residing at Half Moon Bay, had occasion to visit Redwood City. He visited the First National Bank and securing \$40 in currency and placed it in his inside pocket of his coat. He had not gone far from the bank when he discovered that the money had disappeared through a hole in the garment. He made a thorough search for the currency but could not find it. Mr. Lynch placed a "lost ad" in the Times-Gazette and went home believing he would never hear of the lost money. On Monday he received a letter from Lee Pipkin saying that he had found the money. Mr. Lynch came over to Redwood City on Tuesday and received the currency. It had fallen into proper hands—honest hands and was returned to the owner. Mr. Pipkin found the money on the sidewalk between the bank and the postoffice shortly after it had been dropped by Mr. Lynch. Seeing the advertisement he at once hastened to notify the owner. It thus pays to advertise and to be honest. Mr. Pipkin has been commended by the people of Redwood City for his honesty and Mr. Lynch has been rewarded for advertising. Mr. Pipkin is the janitor of the Sequoia Union high school, a position he has held for many years. The trustees of the institution feel proud that they have an employee whom they may trust and whose honesty has been proven.

Diogenes need no longer go about with his lantern looking for an honest man. He may come to Redwood City and he will find one.

Eugene Bailey, Leroy Anderson and Vic Boos are here from Mendocino county and are guests of the Del Monte. They expect to return north next week. Mr. Boos is a former resident of Redwood City.

Laborer Hurt by Automobile

A laborer named Vierra was struck by an automobile driven by a soldier from Camp Fremont last Saturday evening. The injured man, who is employed by the Pacific Gas and Electric Company, was leaving a litch, in which he was working, near Sereford when the accident occurred. He was brought to his home in this city and Dr. Ross, who is the attending him, reports that while no bones are broken he is very badly bruised and it will be several weeks before he can return to his work.

Last Tuesday 100 members of the quartermaster's department came from Camp McDowell and are quartered at the cantonment here.

Thomas McNulty, wellknown here twenty years ago, passed away in San Francisco last Tuesday. He was a brother of the late Mrs. John Brandrup.

A big hand concert will take place at Camp Fremont tomorrow afternoon. Four bands from four different regiments will render the music. The program arranged is an excellent one.

A train load of soldiers came into Camp Fremont last Sunday from Iowa. The young men were delighted to get away from the cold weather of the east and into the warm sunshine of the camp where they bask in it and enjoy its delightful warmth.

Mass is celebrated every Sunday morning at the Knights of Columbus building at Camp Fremont at 9 o'clock and benediction at 6:30 in the evening. Father O'Connell is the chaplain. He is generally popular and well liked by the soldiers. The services are usually largely attended.

The members of the fire department that was recently organized at Camp Fremont will be transferred to the regular army in a short time. It is said these orders were recently made by the commanding officers. Several young men from Redwood City, Palo Alto and Menlo Park are members of the department.

Joseph Donohoe, young son of Mr. and Mrs. Joseph A. Donohoe, has been promoted to the position of lieutenant in the army. He joined the "Grizzlies" when it was organized some months ago. At that time he was made a sergeant. His close application to duty won his promotion. He will be attached to the coast artillery. At present Lieutenant Donohoe is located at Camp Kearny.

Miss Eva Hoff, youngest daughter of Mr. and Mrs. James Hoff, was united in marriage in San Francisco last Sunday to Lloyd E. Millican, a soldier at Camp Fremont. The young couple have returned from their honeymoon and are residing near the camp. Mr. Millican is a brother of Mrs. Ray Chaffee, whose husband is the proprietor of Chaffee's candy store at the corner of Oak Grove avenue and El Camino Real.

E. Mooney, the lessee of the Palm Hotel, has moved to San Francisco. The hostelry has been leased to Langtine and Miller of San Francisco, who will conduct a rooming house. The place will be headquarters for the army officers of Camp Fremont. The firm is conducting similar resorts at the Presidio, Camp Kearny and Camp Lewis.

Mr. Langtine is a brother-in-law of Captain Smith of Camp Fremont. The firm will take charge of the hotel on January 15th. The property is to be improved and remodelled and refurbished.

"Woodman spare the tree" is heard on all sides since the edict has gone forth that the beautiful live oak tree at the terminus of Golden avenue and adjacent to the postoffice is to be cut down to partly relieve the congestion of travel at that point.

The citizens of the town are going to make a tremendous effort to save the oak that has given shelter to thousands for untold years. The Native Sons and Native Daughters parlors have adopted strong resolutions protesting against the action of the authorities in carrying out their intentions. Through their efforts the tree may be saved.

The beautiful new motor ambulance presented to the hospital corps at Camp Fremont by Menlo Parlor, N. D. G. W., arrived during the week and is stationed at Field Hospital No. 11. The work of raising funds for the purchase of the ambulance was done entirely by the native daughters and they are to be commended for such laudible ambition. Miss Grace Stormer, grand president of the native daughters, was here on Thursday and was conveyed through the big camp. She expressed surprise at the size of the cantonment. She saw the name of Menlo Parlor N. D. G. W. on the side of the ambulance and commended the parlor for its good work.

C. E. Maloney has been appointed a deputy sheriff for Menlo Park by orders of the board of supervisors. He took oath of office on Tuesday. There are two officers here at present. Arthur Brown and Mr. Maloney. Their salary has been fixed at \$125 a month. Both are efficient and capable guardians of the peace. Mr. Maloney has disposed of his draying business and will give his entire time and attention to his new duties. Both men will divide their time in patrolling the streets and doing police duty. The provost guard will also work in connection with the two deputy sheriffs and Constable Walsh. With such a force Menlo Park should be well policed.

Miss Grace Stormer of Los Angeles and grand president of the Native Daughters paid an official visit to Menlo Parlor, N. D. G. W. Wednesday evening. Over 100 Native daughters greeted the visiting official from the south. This was Miss Stormer's first visit to Menlo Park. She was well pleased with the progress of the

K. OF C. DRIVE WILL GO "OVER THE TOP"

The drive for K. of C. funds will start next week here and every effort will be made to go "over the top" so far as money is concerned.

Geo. C. Ross, the Redwood City attorney, has handed to the Committee the first check for the drive. The following checks were received during the week:

Geo. C. Ross \$20
John T. Thomas 20
Jas. T. O'Keefe 25
D. E. O'Keefe 20
P. J. O'Gorman 50
John T. Mullally 25
John Morey 25

parlor and so expressed herself in glowing terms. Miss Stormer is accounted one of the ablest speakers in the state. She held her audience spell bound for nearly an hour. After the meeting delightful refreshments were served. Mountain View, Santa Clara, San Mateo, Redwood City and Palo Alto were well represented.

The following marriage license was issued at Redwood City on Thursday. James T. Lynch, aged 38 and Miss Mabel Martin, aged 25, both of Menlo Park.

Dr. and Mrs. W. R. Clunness have closed their home at Atherton and have taken the flat of Mr. and Mrs. Robert L. Coleman on Jackson street, San Francisco.

Army officers have rented the beautiful home of Mrs. James Logan at Linda Vista. They moved into the house yesterday. Mrs. Logan will continue to reside in Menlo Park.

Several new candidates were initiated by Menlo Parlor, N. S. G. W., at its meeting held on Thursday evening. After the routine business the new members were banqueted. About 100 Native Sons were present, many coming from Palo Alto, Mayfield, Redwood City, San Mateo and San Francisco.

Last Tuesday evening near the entrance of Palo Alto on the highway John O'Farrell's car collided with an automobile driven by a representative of the Standard Oil Company. The former's machine was wrecked. The company has made an offer to Mr. O'Farrell to pay for the damages and the offer will be accepted today by Mr. O'Farrell.
